PMGSY in Jharkhand

3066. SHRI S.S. AHLUWALIA: Will the Minister of RURAL DEVELOPMENT be pleased to state:

(a) the phase-wise details of road works, in terms of length and cost, cleared for implementation under Pradhan Mantri Gram Sadak Yojana (PMGSY) in Jharkhand and completed till 31st December, 2004;

(b) the projects carried over on 31st December, 2004 pending last-mile completion;

(c) the steps taken for completion thereof;

(d) the details of measures initiated for imparting appropriate training to the Field Engineers especially in road design and construction; updating of data for the Online Monitoring and Management System (OMMS), and expediting preparation of projects proposals for road works at District Levels; and

(e) the volume of fund provided by World Bank for PMGSY projects in Jharkhand?

THE MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRIMATI SURYAKANTA PATIL): (a) to (c) Rural roads being a State subject, the State Government is primarily responsible for ensuring the timely execution of the road works. The number of road works approved under Pradhan Mantri Gram Sadak Yojana (PMGSY) in Jharkhand, their total length and total cost, and number of road works completed upto December 2004, phase-wise, as reported by the State Government is as under:

Phase	No. of road works approved	Total length (In km.)	Total cost (Rs. in crore)	No. of road works completed
Phase-I (2000-01)	168	900.75	105.92	129
Phase-II (2001-03)*	202	1200.23	230.26	95
Phase-III (2003-04)	131	651.92	135.92	0

* Road works of the two years were cleared together.

(d) Training of the engineering personnel of the State Government is conducted from time to time by the State Government. To ensure the requisite quality of construction in PMGSY, the National Rural Roads Development Agency (NRRDA), on behalf of the Ministry of Rural Development, provides support for training programmes for the engineers involved in PMGSY. Birla Institute of Technology and Science conducted training for AEs/JEs of Jharkhand in February, 2003 in which 30 engineers participated. Officers of the Executing Agencies of the State Governments also attend Workshops conducted by NRRDA on different operational aspects of PMGSY.

(e) The fund provided by the World Bank for Pradhan Mantri Gram Sadak Yojana (PMGSY) has two components *viz* (i) fixed and (ii) performance based. The upper limit of the fixed component for Jharkhand is Rs. 138.70 crore. The quantum of the performance based component will depend

upon the actual performance of the State in utilizing the fixed component effectively and efficiently.

Funds for potable water facilities

†3067. SHRI MANGANI LAL MANDAL: Will the Minister of RURAL DEVELOPMENT be pleased to state:

(a) whether it is a fact that Government provides funds to the States for potable water facilities under the Rapid Village Water Supply programme in rural areas;

(b) if so, the number of habitations covered so far and likely to be covered under the said programme alongwith the amount to be spent therein and the time limit fixed for the same; and

(c) the State-wise details of the status and achievement made under the said programme?

THE MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRI A. NARENDRA): (a) and (b) The Central Government provides funds to the States for potable water facilities in the rural habitations under an ongoing Centrally sponsored scheme, namely, Accelerated Rural Water Supply Programme (ARWSP). So far, out of 14,22,664 habitations in the rural areas in the country, 13,56,031 habitations have been partially covered, 60,884 habitations have been fully covered and 5,368 habitations are not covered. It is envisaged to consolidate coverage of all rural habitations in the country by the end of the Tenth Five Year Plan (2002-07). An outlay of Rs. 13245 crore has been provided for the rural drinking water supply in the Tenth Plan.

(c) The present State-wise coverage status is given in the Statement.
